# ALPHONSE MUCHA

THE MOST PROMINENT CREATOR OF SECESSION,  
LEADING REPRESENTATIVE OF FIN DE SIÈCLE.

Alphonse Mucha was born 24 July 1860 Ivančice, Moravia, Austrian Empire (today's Czech Republic); died 14 July 1939 (aged 78) Prague. Alfons Mucha was a very influential but seldom mentioned figure in the history of art. He is more than anyone else responsible for the "art nouveau" style that developed around the turn of the century and applied his considerable talents to a wide variety of pursuits ranging from painting and sculpture to poster, magazine and calendar illustration and product and architectural design.
